Dear Pastor and Church Family,

The month of July was a very slow month as far as meetings, but it was a very prosperous month as we served in our home church. My focus this month was to book more meetings and missions conferences and the Lord has truly blessed our efforts with providing more meetings. We have booked more meetings in Oklahoma, California, and as well as Tennessee. As well, we have been blessed with another supporting church that has partnered with us in our ministry. It is our prayer and goal to be over 50% by the end of the year.

I had many opportunities to teach Saturday bus route this month and we had 2 kids come to Christ. My wife and I, also got to help out in our church VBS. We had over 200 kids come to the services and 25 of them received Christ as their Saviour! It blesses my heart to see children at a tender age understand the love of Christ and decide to follow Him. Please pray that many would come back to join us in our regular church services and that the parents would be reached with Christ.

This month I was also invited back to one of our supporting churches to preach to the Spanish ministry. Their love for people and serving the Lord really touched my heart and made me miss Mexico more. I was also able to preach for my home church's Spanish ministry. I do thank the Lord for these opportunities I get to preach in Spanish. Most meetings that I book, I preach in English and it has been neat change to minister to the Spanish speakers. It has been a healthy thing I've had these opportunities as it helps to keep up on the language.

My wife Audryanna is doing well and our baby Julianna is healthy. We are anticipating her arrival and trying our best to prepare for her coming. Please continue praying for my wife and the pregnancy. She is now almost 33 weeks and is starting to get more tired easily. We are having more doctors appointments and everything is going smoothly so far in the pregnancy.

We thank you always for your love, prayer, and support. We continue praying for each and every one of you. Thank you again for partnering with us and being co laborers in the ministry. May many souls be saved for the honor and glory of our Lord Christ Jesus.
