Proclamad entre las naciones su gloria, En todos los pueblos sus maravillas (Psalm 96:3)

November Newsletter

Dear Pastor and Church Family,

We are excited and grateful to announce that we are almost at the halfway point of reaching our goal. We had received news of churches taking us on for support and partnering with us in our ministry. Once it is official we will be well over 50%. God receives all the glory and we thank Him for the partnering churches and getting us through this year of deputation. We just recently got back from a missions conference in Oklahoma. I had the privilege to teach an adult Sunday school class and preach in the church's morning Spanish service.

As we wind down and the conference season ends, please be in prayer for my wife and I. In December, we will be traveling to go meet my father in law for the first time. My wife has not seen her dad in many years and she felt the burden that we needed to go see him. He is not saved and we are praying that he will get saved.

He will be meeting his granddaughter for the first time as well. Please be in prayer that the Lord will give me words to say as I witness to him. One of the wishes of my mother in law, who has passed away and is with the Lord, was that her husband would get saved. We are praying that a family will be reunited and for his salvation. We know that God can do a great work in this man's life.

For the month of December we will be back home in San Diego. This month will be busy with trying to book more meetings for the next year. We are excited and looking forward to what God has for us next year. Thank you again for your prayers and support. We hope that each of you will have a great Christmas season and that souls will be reached for our Lord and savior Jesus Christ. We are praying for each of you and your ministries and the members of your church. God Bless and Merry Christmas
