Dear Pastor and Church Family,

The month of October has been an exciting month of meetings and conferences. We were able to take our newborn baby to her first conference and she did great. I'm so thankful for my wife and all that she does to make sure our little girl is ready and taken care of. Thank you again for your prayers and financial support! We pray for each and every one of you and we thank the Lord for your partnership and faithfulness to the Lord.

I had traveled all over the country this month and I'm glad to be home for conferences in our local area of Southern California. This past month I was in Ventura, California, Tennessee, Oklahoma twice, and northern California. It was a blessing to have a part and to help them encourage their people about missions and reaching out to their communities with the Gospel of Jesus Christ. I had the opportunity to preach and as well preach for the teenagers at one of the conferences. After the message 4 had lifted their hands surrendering to ministry and missions. It was exciting to see that there are still young people that have a tender heart for the Lord's work. At another conference I was able to go with a church member to visit a Spanish speaking lady. The church member could not speak Spanish and there was a language barrier. He had been trying to contact the lady and invite her to church. I was able to talk to her relative and get the times when she would be home so that we could catch her when she was home. This visit made me think and pray that we need to be in prayer for more Spanish speaking people to be saved in these areas so that they can reach their people for Christ.

We praise the Lord as we are getting closer and closer to that mark of 50%. Please be in prayer for us as missions conference season ends that I'll be able to book more meetings for next year. We thank the Lord for getting us through and getting us closer to our goal. We love each of you and your churches and pray for you constantly. God Bless.
