BIMI  
PO Box 9  
Harrison, TN 37341

Dear Pastor and Church Family,

Thank you for your prayers concerning my wife and her pregnancy. Our baby is finally here. Our girl, Julianna Denise Lopez, was born on September 26th, 2017. She was 7lbs and 4ozs. She came a week late and was born with an infection. She was admitted to NICU for a week. We praise the Lord she is all better now and we were able to take her home. The baby and my wife are doing well and recovered. She is such a blessing and is a gift from God.

This month we had a missions conference in California and the church was a huge blessing to me. My wife wasn't able to attend because we knew that possibly the baby could come at any moment. I had to cancel two other conferences because they were around the time of our daughter's birth. We weren't expecting her to arrive a week late and to be in NICU for another week. It was disappointing for me to cancel, but the birth of our child and the well being of my wife was far more important. The Pastors were so kind and understanding and I thank them for that.

Please be in prayer for me as I will be flying to different conferences this month. With the baby arriving a week later and her being in the NICU has changed a lot of traveling plans for us. We are currently at 48% and we thank the Lord for more supporting churches. Please also be in prayer that I can find a good Spanish class in Hermosillo, Mexico. I want to have an idea of a class we can go to by the time we get there. Already being able to speak Spanish myself, this I believe will help a lot sharpen our Spanish.

Thank you again for your love, prayers, and financial support. We are getting excited as we are getting closer to that magic 50% mark in our support. We are praying for you and thank the Lord for each of you. Please pray that I can be a blessing to the churches that I will be visiting and that they will capture our heart and vision for Mexico.

-In Christ  
The Lopez Family

### Mark 16:15

And he said unto them, Go ye unto all the world, and preach the gospel to every creature
