Dear Pastor and Church Family,

We want to thank you for keeping us in your prayers. From our last update, my wife Audryanna had gallbladder removal surgery. She has fully recovered and we are so grateful for your prayers for her and the surgery.

This last month was a busy month of ministry, traveling, and preaching. We recently went to a Mission's Conference here in California. The conference went very well and it was a privilege for us to be a blessing and to present the ministry in Mexico. The following Sunday I was able to preach at my wife's home church. The Pastor was going to be out of town and he had asked if I could preach all three of the services that day. That Sunday morning we had two ladies raise their hand for salvation. That night, two siblings, named Elena and Jeremiah came to the Lord as well. I gave the invitation and Elena rose her hand for salvation. I told their parents and they were excited and were able to lead their two children to the Lord. Afterwards, we had to travel back to San Diego. I preached for the Spanish ministry at my church and it was a blessing to hear many of the people say how much I have improved in my Spanish.

As we were in San Diego my parents neighbors gave us a bed frame for free. This was a huge blessing to us as little by little we are trying to prepare for the future as we head back to Mexico. God is so good in the many provisions He gives for us, while on deputation.

Please continue praying for us as we call for more meetings. God has been good to us as recently more doors of opportunity have opened up. In about two weeks we will be traveling out to the northern states. We will be going up to northern California, Oregon, Idaho, Utah, Washington, back to California, and Nevada. Pray for traveling mercies and that we will be able to be a blessing to these churches and raise more support so that we can get back to Mexico and see many souls saved.
